The Denver 2015 Mineral Auction

The Current Denver Show Mineral Auction is winding down and will close tomorrow (Wednesday) at 9 PM Central / 10 PM Eastern time. The bids are still very low and many beautiful specimens are still looking for opening offers, including the gem Sweet Home Rhodochrosite! I hope everyone will take part in the final two days of bidding and take a quality specimen home. All bids and reasonable offers will be accepted for the closing. Proxy bidding is available.

Some Highlights from the Auction!

- Gemmy Rhodochrosite with Hubnerite from the Sweet Home Mine
- Pyromorphite from the MMM Mine in Broken Hill, Australia
- Rare Native Silver crystals on Copper and Calcite from the Mass Mine
- Iridescent Covellite on Quartz from Butte, Montana
- Pearly Smithsonite on Coronadite from Broken Hill, Australia
- Gorgeous specimen of Crocoite crystals on matrix from Tasmania
- Exceptional Plumbogummite ps Pyromorphite crystals from China
- Pink Danburite cluster from San Luis Potosi, Mexico
Aesthetic Native Gold in Quartz from Coolgardie, Western Australia
